A month to redo - revise - Re offer it  
which was granted and I was given  
A month to carefully review it and  
either accept it or deny it. which  
I later denied. I honestly do not  
believe I should be held responsible for  
this error and I cannot be convicted  
of a different crime your Honor.  
I will ask your Honor's response, would  
you accept to be held responsible for  
the wrong action as described in a legal  
document but is different and stated  
on the record as such?? I believe  
not, this is a legal court document it needs  
to be dissolved - Amended - corrected and  
re offered as before, Sir.

Furthermore I was made aware of this unexpected  
plea deal MAY 25<sup>th</sup> 2020 via email by (TSH)  
and told specifically, I had till 3:pm MAY 27<sup>th</sup>  
2020 (Wednesday 3pm) to accept or deny it.  
Plea Deal clearly states exp date of June 1<sup>st</sup> 2020  
I have emails to support my claim viewable  
upon request. Surely a legal contract would not  
be acceptable if Jose Lopez, signed it instead of  
Jesus Ernest Lopez Jr. That would be incorrect -  
Sir - I notified mr(TSH) immediately as I am doing  
so in good faith to everyone else Sir. Thank you

JE L.

I know these things are time sensitive  
 Tom I understand if my case is not  
 a high profile or big money case, I

know you a busy man with cases that  
 are high profile big money cases, and

I humbly apologize if my flood of emails  
 and info that I think is of value to  
 my case because my life is hanging

by a threat because of it has been  
 overwhelming but I thought info was  
 key- lest sir if this case (my case) cannot  
 be handled with the same attention as

the high profile cases (that to me it is) I understand  
 if you cannot award your expertise due to  
 whatever reason it may be it would devastate  
 me to lose you Tom for you are a hell of a  
 lawyer David tells me so please confirm you got  
 this fax and if not I will.
